

Title: Totaljobs.com generates over 1 million applications for UK employers
Date: 2 May, 2008

Totaljobs.com, the UK's biggest commercial online recruitment company, generated over 1 million job applications for employers in April.

As the UK's first and only online recruitment company to commit to monthly ABCe audits, totaljobs is also able to report that over 1.8 million unique users visited totaljobs.com more than 3.3 million times and generated over 1,003,000 job applications to more than 150,000 jobs posted by over 4,000 companies in April.

This hugely successful month coincided with totaljobs.com annual jobseeker satisfaction survey. Early analysis of over 1,000 respondents has revealed that 77% of jobseekers would recommend totaljobs.com, more than 75% found applying for jobs easy and over half said the jobs advertised on totaljobs.com to be of good quality.

Sophie Relf, Head of Marketing totaljobs.com said "Totaljobs.com is totally committed to delivering consistently high volumes of active jobseekers to recruiters. This fantastic result shows the power of the totaljobs recruitment marketplace. We have demonstrated yet again that so long as employers advertise in the right place they will get good quality response and that totaljobs.com is best placed to help recruiters hire the right candidates, and jobseekers find the right job."
